25th November 2021

Dear Parent/Carer,

As of Monday 29th November we would like all pupils to wear a soft choice of footwear such as slippers or flip flops. To ensure everyone is safe when entering school we will be asking all pupils to remove their outside footwear when they enter the school building, they can then change into their slippers/flipflops whilst on site.

Could you please send your child to school with your choice of suitable soft footwear on Monday. If you are struggling to send some in, please contact your child's class teacher, so that we can support you.

Thank you for your support.
