How will Key Stage 2 SATs be marked?

All of the test papers are sent away to be marked. Children will be given standardised scores for Reading, Spelling, Punctuation and Grammar and Maths. In order to achieve the expected standard at the end of Key Stage 2 your child will need to achieve a standardised score of 100. Results will be shared with parents in the end of year report.

How will my child be assessed in writing?

Writing is teacher assessed using descriptors set by the government. In order to achieve the expected standard, children's work must show examples of all of the descriptors in samples of their writing.

How to support your child?

It is essential that your child attends school every day. Each morning of the SATs we will be running a breakfast club for Year 6 pupils starting at 8.45 am to help prepare and relax the children. All of the Year 6 team will be there to make sure children feel ready for the test that day.

The weekend before the tests, please support your child to relax. Make sure that they have an early night and feel fully rested for the week ahead.

The SATs are a snapshot of what your child has learnt in primary school and the results depend on how well they perform on the day. But as the teachers that work with your children, we can honestly say that each and every child has made efforts to progress this academic year. We are proud of the hard work and resilience they have shown in preparing for the tests.

If you have any questions and need further clarification or details, please do not hesitate to speak to your child's class teacher, Mrs Franklin or Miss Place.

Kind regards,

Hannah Buchanan
