Mrs K Green
Executive Headteacher

24th November 2017

Dear Parent/Guardian,

Re: Ofsted Visit

You will be aware that the school had an inspection visit on Thursday 26th October 2017, the report is attached.

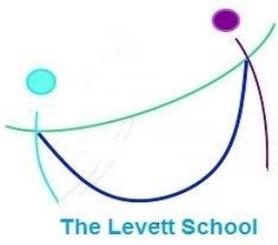

I am delighted to inform you that the school has received a Good grade which as a school we are extremely proud of. Inspectors were extremely impressed by the behaviour and attitude of our pupils and spoke highly of the way they approached their learning and were able to talk about how this linked into their previous learning. During the visit they also listened to pupils read and the level and skills they displayed has received high praise. Attendance has also been highlighted as an area of improvement and that some of our pupils achieve better attendance than those attending a mainstream school. The report also highlights that pupils are well cared for by staff who are vigilant of their needs and the systems in school to report and follow up any concerns are robust.

Having been Headteacher for just over a year I am extremely proud of the hard work that all the staff have done to improve the quality of education for the pupils. There has been significant change to all aspects of the schools work and improvements to the curriculum and processes which have had a substantial positive impact on the provision. I cannot praise the staff high enough for their response to the changes we have made in the past year and the commitment they have for providing the best education for your children, it can sometimes be an extremely difficult job but they all want to see the pupils engaging and enjoying being at school.

Can I also thank you as parents for your continuing support. The success we have with your children depends hugely on the partnership we have between home and school, if we all work together we can hopefully continue to support your child in the best way possible.

Many thanks

Karen Green
Executive Principal
