

Autism, Art and Chat Group

Come along and unleash your creative side at these sessions.

You will have the opportunity to draw, colour, paint, and create with a range of arts and crafts materials in a relaxed environment. This group is a chance for you to meet like minded people where you can engage your creative side or if you prefer have a chat, socialise and share lived experience with others. We also have endless amounts of tea, coffee and biscuits!

Check out our website for the latest dates [click here](#)

There is no need to book and these sessions are held at Doncaster Carers Centre, 2 Regent Terrace, Doncaster, DN1 2EE
