

Parent/Carer Coffee Morning

10.00am - 12.00pm

No booking required

We love bringing families together to share their stories and lived experiences and catch up over a warm drink.

We hold regular coffee mornings at the Carers Centre where parents/carers can attend to chat to us or other parents. During these sessions, we occasionally invite local services and organisations to inform parent/carers about the support available for themselves, their children/young people, and adults with SEND.

We provide endless tea, coffee and biscuits at the coffee mornings, so why not pop along!
