Levett School Admissions Policy

Introduction

Under section 19 of the Education Act 1996, Levett School Pupil Referral Unit (PRU) is a key component in Doncaster Council's provision to provide suitable education for children and young people who experience difficulties in managing their behaviour and engaging in a mainstream school.

Levett school is a dual site provision, with KS1 and 2 being based at the Lower school site in Sprotbrough and KS3 being based at the Upper school site in Intake.

Key principles underpinning the work of The Levett School:

- Outreach work with mainstream schools
- Development of inclusive approaches
- Raising the academic attainment of pupils with social, emotional and behavioural difficulties [as well as other SEND]
- Early identification of need and implementation of appropriate interventions
- Involving and supporting parents and carers
- A high quality provision, offering best value
- A multi-agency approach to partnership working

Admissions Criteria

Within Doncaster, the fundamental admission criteria for a place at the Levett PRU, is evidence of challenging Behaviours. Students exhibiting such behaviour will be discussed at SEN and Inclusion Panels, for consideration by the local authority and Levett Senior Leadership, to ensure that student numbers on role do not exceed the allocated number.

[The process will include a tiered wave of responses:]

[Wave 1	<ul style="list-style-type: none">• Big Picture Placement: Big Picture Doncaster is commissioned by the City of Doncaster Council as part of the early intervention strategy. The focus of the provision is supporting young people who struggle with the challenges of transitioning to secondary school, or maintaining a successful position in mainstream KS3 education, with the aim of ensuring they can remain without the need for further, more complex intervention at a later stage, and crucially before they are disillusioned and distanced from school. <p>Local Authority logging advice, guidance, and support</p>
Wave 2	<ul style="list-style-type: none">• Short to medium term provisions as outlined in the catalogue of Additional Providers. Via panel the offer is bespoke to the child, need and provider. Where appropriate panels can fund this for a short period of time at the end of which the expectation would be that the child is able to successfully access full time mainstream provision. AP is never a full time offer and the pupil will be expected to access their school on the days that they are not with their AP provider. If needed beyond the time period identified, cost will fall to school or if this is identified at the point of referral the case could be declined at panel triage. A number of AP providers have an offer of a therapeutic nature but this would not be appropriate for a child already accessing a form of therapeutic support. Some but not all AP can be directly commissioned by a school.

Wave 3	<ul style="list-style-type: none"> • EPIC placements. This is for young people on the edge of criminal activity. This can be either in or out of school support and can be made bespoke to need. These placements are not appropriate for young people involved in an open police investigation. • St Wilfrid's Assessment places are available for KS2 and KS3 pupils at St Wilfrid's when schools have been unable to identify need, despite attempts to by carrying out their own assessments and engaging with appropriate outside agencies. • Vega Placement: for Year 9 to Year 11 pupils who need a vocational, part time, nurturing provision to support them in achieving their GCSE qualifications in core subjects and prepare them for work/college post 16. Placements are with continued attendance at their mainstream provision for core subjects.
Wave 4	<ul style="list-style-type: none"> • Medium to longer term provision in a Pupil Referral Unit for all Key Stages will be logged and referred on to the appropriate, end of continuum provision. • Levett cases: following triage the referrals will be directly sent on to Levett to follow their admissions pathway. • NBEC: following triage the referrals will be directed to the cohort monitoring.]

Places are available for:

- Pupils permanently excluded from a mainstream school, if appropriate, pupils would normally access St. Wilfrid's provision prior to being admitted to The Levett School
- Pupils at risk of permanent exclusion and all children who have been permanently excluded twice
- Pupils new to the authority with a history of disrupted education or previously educated in a PRU setting for whom a school placement cannot be immediately identified.
- Pupils positively referred for alternative provision on either a full-time or part-time basis.

Single/Dual Registration

Students who are twice permanently excluded from their school can be admitted to Levett on single registration.

However, the majority of students will be dual registered – remaining on their current school role (the home school), with Levett being named as the subsidiary school. The home school will retain responsibility for the student's attendance, well being and safeguarding, whilst they are on role at Levett and as such are expected to comply with certain requirements, to ensure that the best outcomes are achieved for their students, including facilitating visits, attending meetings and leading on Education, Health Care Plans.

In addition, before any student begins their placement at Levett certain pre-requisites must be fulfilled by the home school, to ensure a safe and successful transition.

Information required from home/excluding school prior to student starting at Levett

- ❖ CTF
- ❖ Risk Assessment
- ❖ Academic levels, age related level and aspects of the curriculum covered
- ❖ Attendance certificate
- ❖ Pupil premium status (Home schools will be invoiced for PP by Levett)
- ❖ Free school meals status
- ❖ Social care/CP information (including contact details for workers)
- ❖ Behaviour log (CPOMS/Behaviour Reports)
- ❖ Transport/taxi requirements

Transport to and from Levett

For students in KS1 and 2 a taxi will be provided, with an escort if this is deemed necessary. Students in KS3 will be encouraged to become independent travellers, however a taxi will continue to be provided for any student deemed vulnerable.

[The Levett School do not have their own transport service. Pupils in KS3 will be encouraged to become independent travellers. Applications for transport will be submitted via the transport panel who will then look at each individual case to decide whether a pupil is deemed too vulnerable to travel via public transport (alone) or whether they can support by offering bus passes/travel training to encourage independence. Travel can also support by providing a chaperone upon request and if valid reasons are supplied in the application.

The Levett School do ask that a pupil's current setting complete this paperwork as they know the pupil best and can support with reasoning as to why a pupil can/cannot travel independently.]

Attendance

The Levett School has an Attendance Officer who will monitor attendance on a daily basis. Any absences from school should be reported directly to Levett, rather than the home school. For any student who is absent, with no suitable message received, the Attendance Officer will make every attempt to speak with parents/carers, including arranging a home visit.

Each week Levett will liaise with the home school of dual registered students to update them with the attendance of their student.

The Attendance Officer will work closely with Safeguarding staff, to ensure that all children are safe.

The Attendance Officer will refer to the Education Welfare Service any student who becomes an attendance concern or a persistent absentee. In addition, dual registered students who, when reviewed, are not attending Levett school, will be returned to their home school.

Early Help Referrals

Should an EH referral be required for a dual role young person, whilst on role at Levett, there should be negotiation between the home School and Levett to establish what is in the best interests of the family, with regards to who takes on the role of Lead Practitioner.

The Levett School will automatically ensure an EH referral is completed and updated for single registered students.

Education Health Care Plans

Should Levett school or a parent/carer believe that an EHCP is required after transferring to Levett, it is the responsibility of the home school of dual registered students to initiate this and discuss the young person with their Educational Psychologist.

The Levett School will coordinate an EHCP, if required, for single registered students only.

Expectations of the Home School for Dual Registered Students

Each home school should arrange the most appropriate provision for their pupil, to enable them to maintain a sense of belonging to their Home School community. This may include:

- Re-joining their class in a previously successful subject area
- Time with a significant adult with whom the pupil has a positive relationship
- Participating in social time, assembly, lunch or an extra-curricular activity

Expectations of the Mainstream School for Dual Registered Pupils include to plan out the most appropriate provision for their pupil, to enable them to maintain a sense of belonging to their Home School community. This may include:

- Re-joining their class in a previously successful subject area
- Time with a significant adult with whom the pupil has a positive relationship
- Maintaining contact with the pupil, particularly those relationships which have been positive ones

How Levett School supports transition to the next educational placement

Following a period of time on role at Levett school, students may return to their home school, transition to a new mainstream school or transition to a special school. The most appropriate outcome for individuals will be determined through observations and assessments of both academic as well as social and emotional need, through student response to interventions and through consultation with external agencies, such as the educational psychologist, CAMHS and other specialists.

Levett School can support students with transition in the following ways:

- visits for the student to their next educational provision – both accompanied and unaccompanied by Levett staff
- support in the new provision, such as a known TA going to class with them
- working with staff to develop individual support plans
- advising staff on how to deal with challenging behaviour, de-escalation techniques and effective strategies to implement in order to support the student
- providing up to date information and data, such as behaviour logs, Boxall profile scores, risk assessments and academic levels

[Placements for children with an identified SEN need should be heard at the appropriate SEN panel. They should also remain in their current placement whilst in the process of assessment towards an EHCP. This process will be able to identify if the child has a longer term need that is not the remit of this panel.

General Information

THE SCHOOL DAY

- Monday – Thursday 8.45 am – 2.15pm
- Friday - 8.45am – 1pm

SCHOOL UNIFORM

- Black Levett School T-Shirt
- Black Levett School Jumper
- Black trousers
- Black skirt.
- Black shoes.

NB: Your child will be issued with 2 polo shirts and 1 jumper on their admission to The Levett School. Further polo shirts can be bought at a cost of £2.50 each, with jumpers costing £5.

PE KIT

Any sportswear and trainers. Your child needs to come to school in PE kit on the day they have PE.

JEWELLERY

For the protection of personal safety, the wearing of jewellery is not permitted in school. This includes but is not limited to: Rings, necklaces, bracelets and earrings

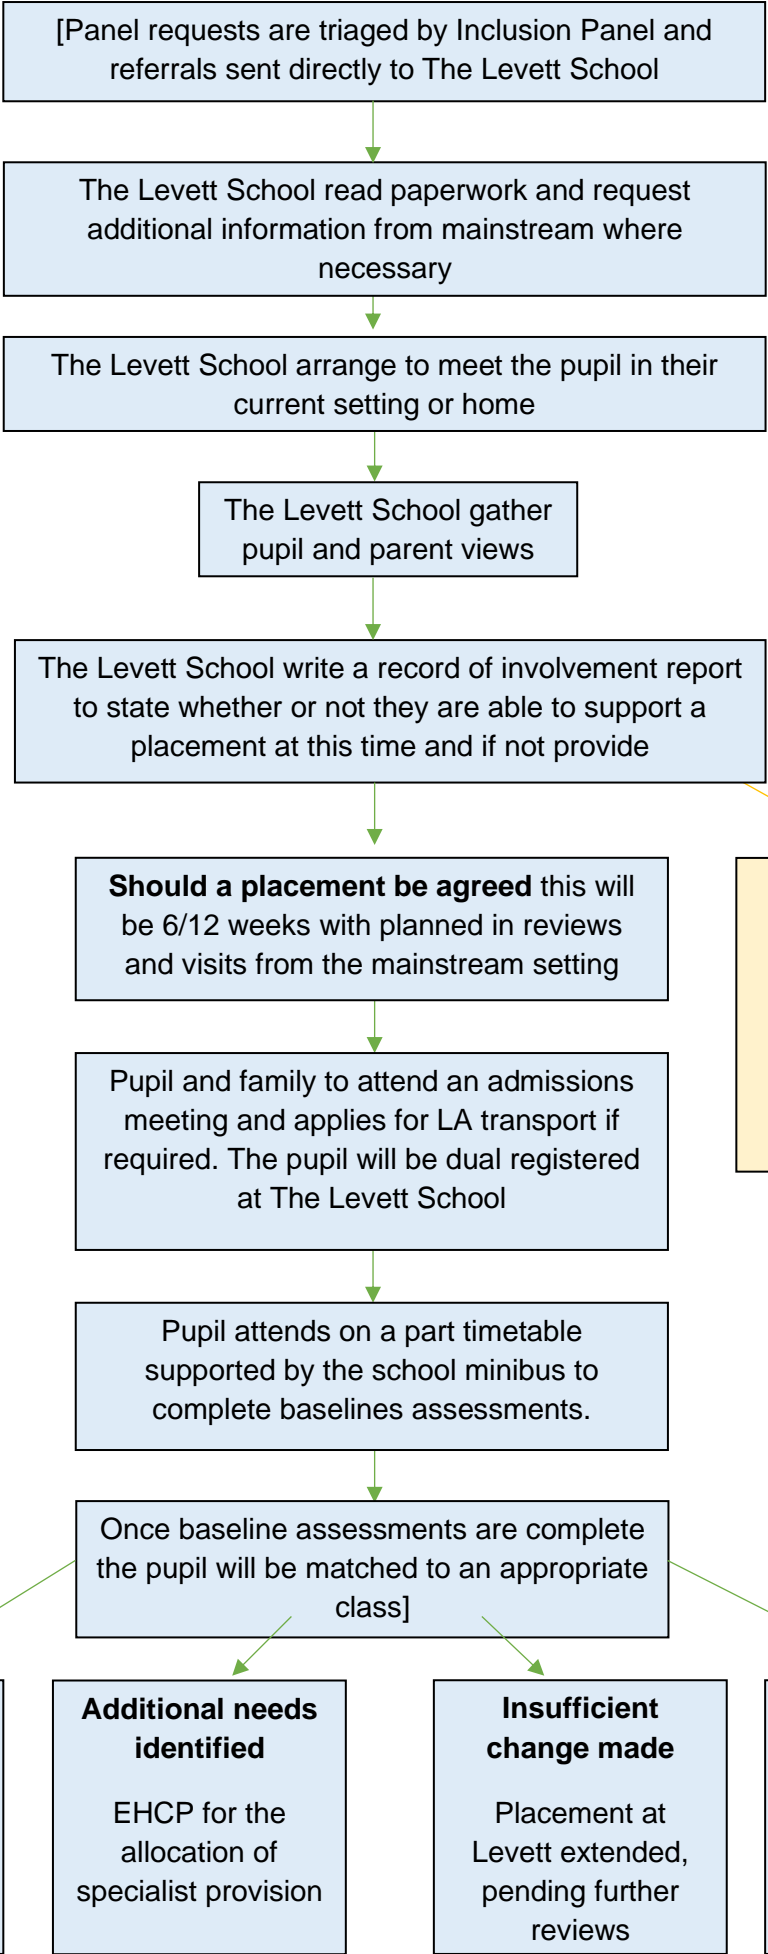

- The wearing of jewellery can result in tearing or piercing of flesh;
- There is a potential for injury to the wearer due to inadvertent contact of jewellery with other people, clothing etc;
- Injury could occur due to contact with jewellery worn by another person

Should your child be required to wear jewellery for religious or medical reasons, parents/carers must apply in writing to the Headteacher.

SCHOOL DINNERS

Hot school dinners are available every day. If your child would rather have a sandwich, please inform school.

For a summary of the Levett School's admission process, please refer to Appendix 1.]

Food Allergies

Food allergies in children are common and can be life threatening if ignored, therefore it is imperative that we know if your child has been diagnosed with any food allergies.

Please identify if your child is allergic to any of the following:

- Cereals containing gluten and wheat – e.g. spelt, rye and barley
- Crustaceans, e.g. crab, prawn, lobster
- Molluscs e.g. mussels, oysters, squid, snails
- Fish
- Nuts, including almonds, hazelnuts, walnuts, cashews pecan, brazil and pistachio
- Peanuts
- Celery
- Eggs
- Soybeans
- Milk
- Mustard
- Sesame Seeds
- Sulphur Dioxide and sulphite concentrations of more than 10mg/kg or 10mg/L in terms of total Sulphur dioxide
- Lupin
- Other

If you have stated yes to any of the above, please provide further details including medication and treatment plans.

EDUCATION SWIMMING – PARENT/CARER CONSENT FORM

Name School.....
 Date of Birth Class
 Address
 Tel No

As part of your child's education he/she will be undertaking swimming lessons this year. It is important that the swimming teacher has the following information concerning your child:

	Yes	No
Does your child suffer from any of the following:		
Anxiety from water		
ADHD		
Asthma (please bring inhaler to every swimming lesson)		
Autism		
Behaviour		
Cerebral Palsy		
Diabetes		
Down Syndrome		
Epilepsy		
Grommets (recommend wearing a swimming cap & ear plugs)		
Hearing impairment		
Visual impairment		
Does your child have any other medical conditions? Give details:		
Does your child take medication on a regular basis? Give details:		
Please give details of any past or present injuries e.g. fractures		

Swimming Ability:

Non-swimmer	5m	Width	Length	2 lengths	Any other Awards (please specify)

Earrings and any other form of jewellery or watches must be removed prior to the swimming lesson. Plasters covering newly pierced ears must be removed together with the earrings before a pupil will be allowed to swim.

Goggles are not necessary within short curriculum swimming lessons or for single, short races in school galas unless a pupil has particularly sensitive eyes. Goggles will only be allowed in exceptional circumstances in school swimming lessons, when chemicals in the water may adversely affect eyes. In these rare instances where the use of goggles may be allowed the adult responsible for the group will have the prerogative to require the pupil to remove them for reasons of safety if the pupil constantly adjusts or removes and replaces the goggles. If it is medically necessary for your child to wear goggles a letter must be written to school stating that your child has particular needs to warrant the use of goggles.

I have read and understood the information included on this form.

Signature of Parent/Carer Date

Please note your child will not be allowed to swim unless this form is completed. Please return to your child's school

ICT Acceptable use agreement

At The Levett School, pupils are expected to:

- Only use ICT on the school premises for studying purposes.
- Only log on to the computer and internet when an adult is present.
- Use the class or school e-mail address when sending or receiving emails.
- Only open email attachments from people known to them or people who the teachers have approved.
- Make sure ICT communication with other pupils and adults is polite and responsible.
- Be responsible for their behavior while using ICT.
- Inform their class teacher of anything they see online which makes them feel uncomfortable.
- Understand that their use of ICT can be checked and that parents/carers will be contacted if a member of school staff is concerned about a pupil's e-safety.
- Be careful when using computer equipment and treat it with respect.
- Abide by the rules regarding bringing personal devices into school.
- Seek the advice of a teacher before downloading material.

Pupils will not:

- Try to bypass the internet settings and filtering system.
- Share passwords.
- Delete or open other people's files and documents.
- Use other people's accounts.
- Send any content which is unpleasant. If something like this is found, such as inappropriate images or the use of offensive language, pupils will report it to their teacher.
- Share details of their name, phone number or address.
- Meet someone they have contacted online, unless it is part of a school project and/or a responsible adult is present.
- Upload images, sound, video or text content that could upset pupils, staff and others.
- Try to install software onto the school network.

Parents will:

- Support and uphold the school's rules regarding the use of school ICT systems.
- Act in accordance with the school's policy when using the internet in relation to the school, its employees and pupils.
- Only store and use images of pupils for school purposes, acting in line with the school's ICT policy.

Please complete the below information to confirm you have read and accept the above agreement.

School Uniform Expectations

SCHOOL UNIFORM

- Black shoes
- Black trousers/jogging bottoms or skirt.
- Levett School t- shirt & sweatshirt

(One of each will be given to you on your child's first day. Should you require any more you can purchase them from school at a cost of £2 for child sizes and £5 for adult sizes).

PE KIT

Your child needs to come to school in PE kit on the day they have PE.

- Any sportswear
- Trainers

Please note: Clothes should not contain any obvious branding / logos, other than The Levett School logo.

JEWELLERY

For the protection of personal safety, the wearing of jewellery is not permitted in school. This includes but is not limited to: Rings, necklaces, bracelets and earrings

- The wearing of jewellery can result in tearing or piercing of flesh;
- There is a potential for injury to the wearer due to inadvertent contact of jewellery with other people, clothing etc;
- Injury could occur due to contact with jewellery worn by another person

Should your child be required to wear jewellery for religious or medical reasons, parents/carers must apply in writing to the Headteacher.
