

Mini Explorers A Sensory Adventure Coming Soon!

Register your interest

We are excited to announce that Doncaster Autism Service has recently secured funding for a new and exciting opportunity for young children with additional needs in Doncaster.

These sessions will involve sensory exploration and story sharing. They will be open to children aged 0-5 with additional needs and their parent/carer. No diagnosis is necessary. Please note that you must stay with your child throughout the session.

More information to follow soon! Please register your interest by scanning the **QR code** below or visit: <https://forms.office.com/e/QdaaaWr1UU>
