

# OUR SCHOOL ECO CODE

We promise to:

## RESPECT OUR PLANET

by caring for our school grounds and local environment.

## REDUCE, REUSE, RECYCLE

by thinking before we throw things away.

## SAVE WATER

by turning off taps and reporting leaks.

## SAVE ENERGY

by switching off lights, screens, and equipment when they're not needed.

## PROTECT NATURE

by planting, caring for wildlife, and keeping our outdoor spaces clean.

## TRAVEL SUSTAINABLY

by walking, cycling, scooting, car-sharing, or using public transport whenever possible.

## REDUCE WASTE

by using reusable bottles, lunch containers, and avoiding single-use plastics.

## WORK TOGETHER

by encouraging others to make eco-friendly choices every day.

OUR  
ECO  
PLEDGE

"Together we care, together we act,  
together we protect our future."

Every small action makes a big difference!
