

Wednesday 10th September 2025

Dear Parent/Carer,

On Friday 26th September, we will be hosting our annual Macmillan Coffee Morning, this year with an emphasis on enjoying a cup of sustainability-“tea”!

As the new academic year gets underway, The Levett School is embarking on exciting developments in support of the DfE’s sustainability drive, including the modernisation and growth of our garden areas. With this in mind, we are reaching out to invite volunteers to support us in developing our wild garden space. If you are interested in taking part, please speak to Mrs A. Brown, one of our Eco Champions.

As many of you will know, September is also Attendance Month. In previous years, the school has hosted parental engagement events to raise awareness of the importance of good attendance. This year, our attendance celebrations will be combined with the Macmillan Coffee Morning and activities will take on an eco-friendly theme.

If you would like to come along and support the school at this community event, please return the slip below by Friday 19th September to help us with planning.

We look forward to welcoming you!

Kind Regards

Miss F Mooney
