

NEWSLETTER SPRING TERM 2025

Dear Parent/Carer/Governor.

Welcome to the Spring Term Edition of Our School Newsletter!

As we step into the vibrant season of spring, we're excited to share the latest happenings and highlights from our school community. The Spring term has been filled with energy and enthusiasm, with growth, learning, and new opportunities for pupils.

In this edition, we'll explore the exciting activities pupils have undertaken, celebrate our pupils' achievements and re-cap some important dates for Summer term.

We hope you enjoy reading about the exciting events that have taken place and we look forward to welcoming pupils back for the Summer term in April.

Happy Spring! 🌸

ATTENDANCE

This term saw some of our staff attend a Department for Education (DfE) conference, where they gained valuable insights and strategies to improve attendance across the school. To encourage pupils to be present and engaged, we also launched an exciting attendance competition! Pupils with the best attendance had the chance to win a Kindle – well done everyone for taking part!

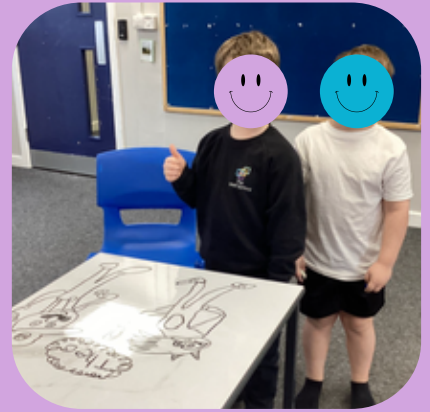

ATTENDANCE MATTERS

We would also like to say another big WELL DONE to Cherry Blossom Class for collectively achieving the best attendance this term!

NEWSLETTER SPRING TERM 2025

EYFS/KS1

Our KS1 children have been embarking on an exciting adventure as they learn all about pirates! They've explored pirate history, created their own treasure maps, and even dressed up as pirates to bring the stories to life.

Through fun activities and storytelling, the children have developed their creativity, teamwork, and problem-solving skills.

It's been an engaging and hands-on learning experience for all!

PEGGY

The wonderful Peggy has been back once again, bringing joy and support to both staff and pupils!

She really is one of the team!

NEWSLETTER SPRING TERM 2025

MACBETH

KS3 pupils had the opportunity to attend The Savoy Cinema to watch a special screening of Macbeth, bringing Shakespeare's tragic play to life on the big screen.

This experience allowed pupils to engage with the classic text in a dynamic and immersive way, sparking lively discussions and new insights.

ONLINE SAFETY DAY

In February we participated in Online Safety Day, a dedicated event aimed at raising awareness about the importance of staying safe while using the internet.

Pupils and parents were invited to take part in activities and discussions about protecting personal information, recognising online risks and practicing responsible behavior online.

The day emphasised the importance of digital well-being, empowering pupils and parents with the knowledge and skills needed to navigate the online world safely and confidently.

DONCASTER ROVERS

This Spring half term, Doncaster Rovers were back at the school engaging with pupils in fun and interactive sports sessions.

Pupils took part in various activities, encouraging teamwork, fitness, and sportsmanship.

GO TEAM!

NEWSLETTER SPRING TERM 2025

DARTS DRAMA AND MUSIC

The wonderful DARTS team have returned this term to bring creative drama and music lessons in to school.

These lessons give pupils the chance to be creative and learn important skills like teamwork and communication.

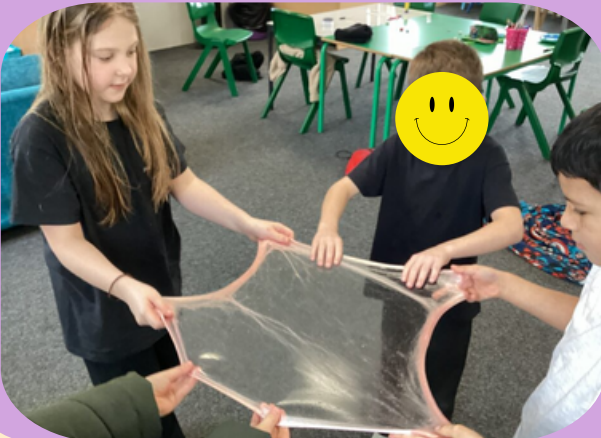

Pupils even got to experiment with special effects make-up, letting them transform into different characters.

KS2

KS2 pupils have been using clay to replicate characters and explore textures. They've experimented with slime and learned about its properties, while also studying how magnets attract or repel materials.

These activities helped the children explore both creativity and science.

PUPIL SUCCESS STORIES

SUPERSTAR

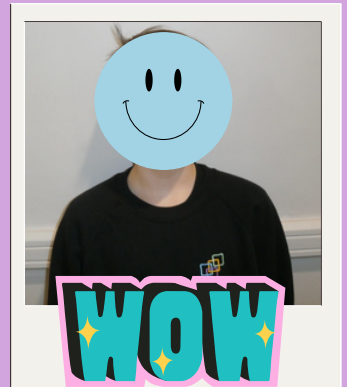

After working really hard during his time at The Levett School, Kyden has now been given the opportunity to spread his wings and start a new placement. Whilst being in Cherry Blossom class, Kyden has shown that he is a thoughtful, caring and considerate pupil who enjoys being with his peers. He is passionate about ICT and football and would often be found creating pages using Publisher or saving goals in the quad. Kyden has shown that he is always willing to help his peers and can be relied upon to help those who are struggling within both academic and social situations.

We will miss Kyden but know that this is the best move forward for him and we know that he will smash this opportunity!

Tee-Jay has not been here for very long but he has slotted into the routines of Cherry Blossom brilliantly. He has shown that he is an inquisitive pupil who always wants to know what is happening, why things happen and how they all work together.

When it comes to his learning, Tee-Jay has shown that he is capable of listening to instructions and then trying to start his work independently.

We know that he is going to do super well in his new school and we are all really proud of him!

FANTASTIC!

A big shout out to Millie who has done amazing at swimming, going from the shallow end to the deep end in under 6 weeks. She is able to dive and has completed her Swim Safety.

Millie listens to the instructor and follows all of her advice.

As we wrap up this term, we would like to take a moment to thank everyone for their hard work and dedication. We hope you all enjoy a well-deserved break, filled with rest and relaxation.

We can't wait to welcome you back for the Summer term, where exciting new opportunities and adventures await.

Have a wonderful break!

See You Soon

REMINDER: Pupils will return on Monday 14th April 2025.
