

PARENT SURVEY OUTCOMES

Thank you

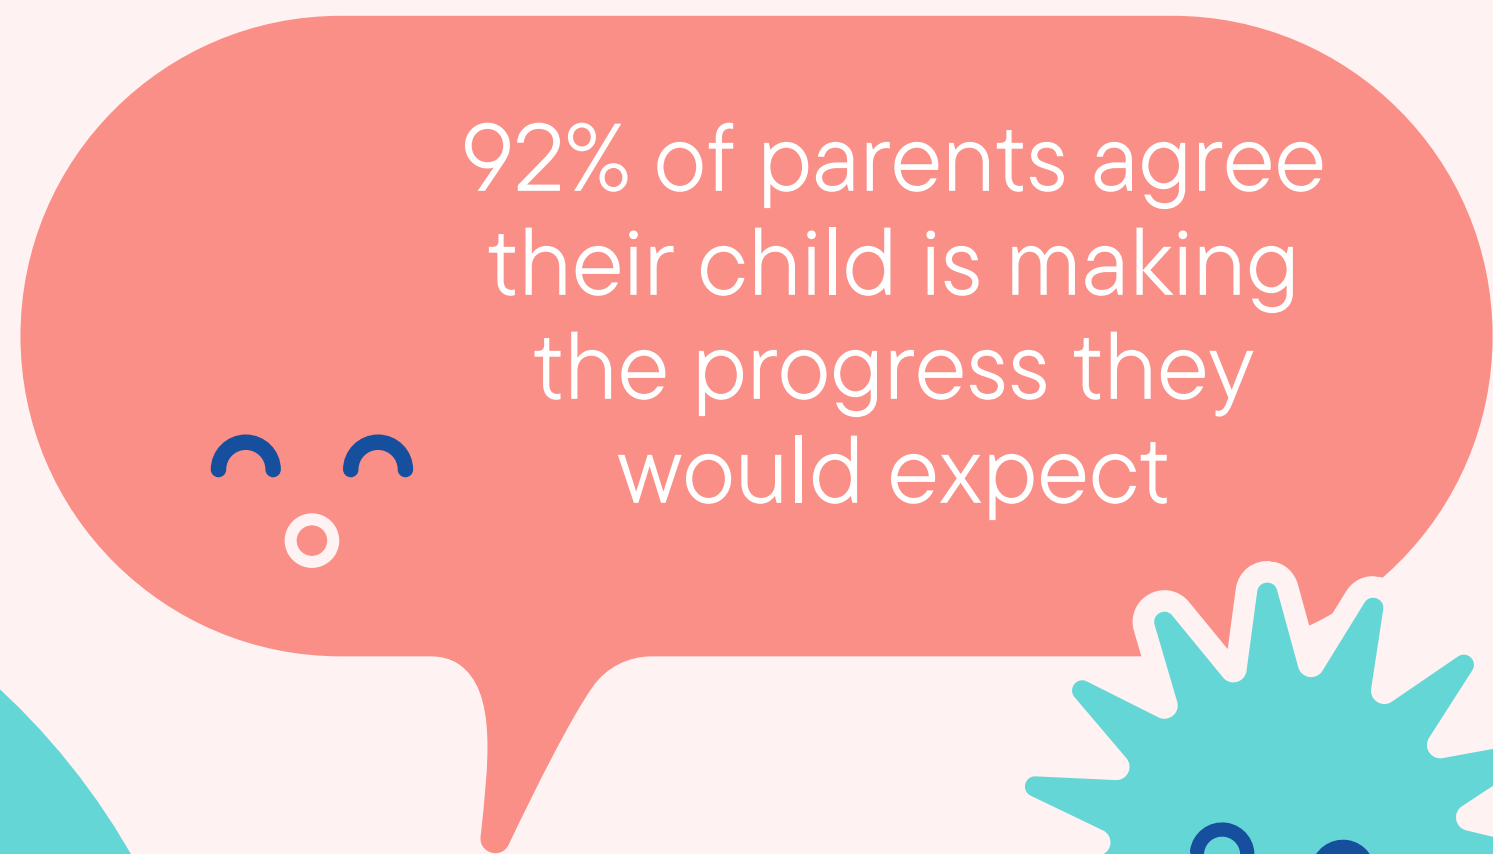

for taking part in our parent feedback survey. We have collated the responses to show the below outcomes

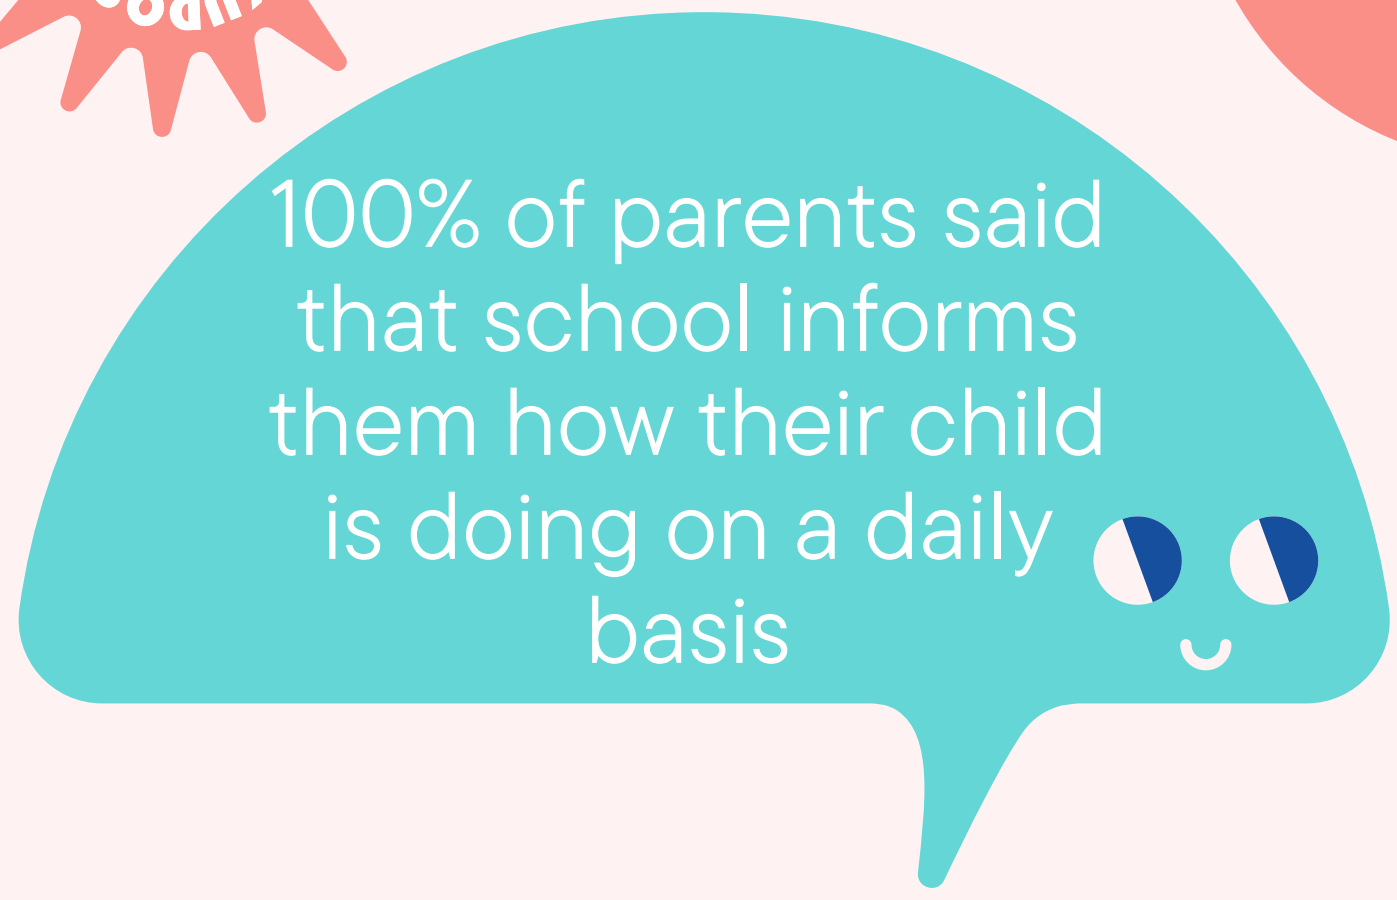

93% of parents agree that first impressions of the school have been good

100% of parents feel their child is supported with their behaviours

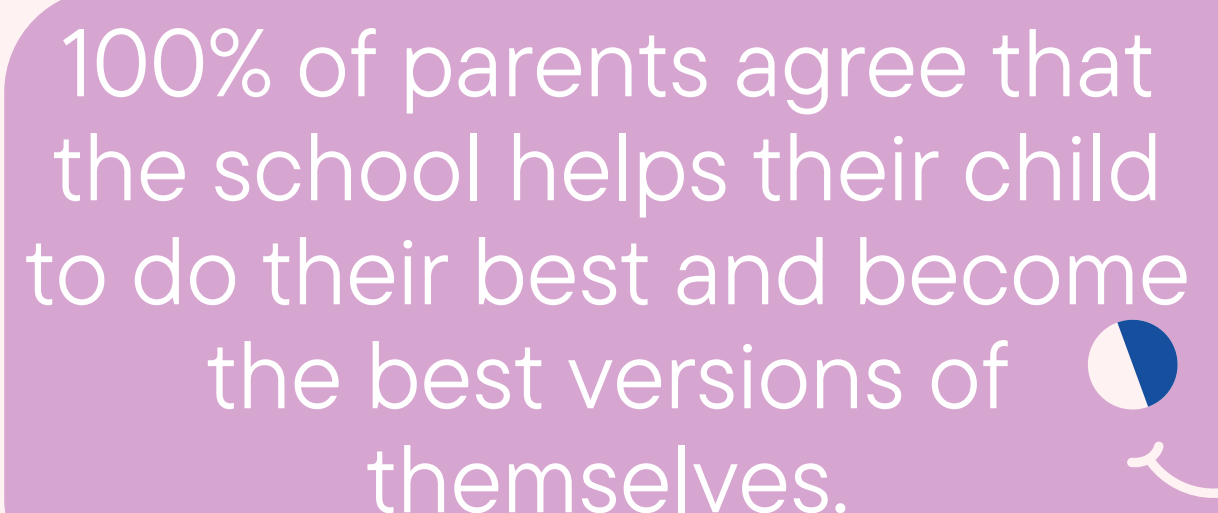

92% of parents agree their child is making the progress they would expect

100% of parents said that school informs them how their child is doing on a daily basis

100% of parents feel any incidents of bullying are handled effectively

100% of parents agree that the school helps their child to do their best and become the best versions of themselves.
