#### Statement of intent

At The Levett School, we believe that the highest possible standards can only be achieved by having the highest expectations of all learners. Some pupils from disadvantaged backgrounds require additional support; therefore, we will use all the resources available to help them reach their full potential, including the pupil premium grant (PPG).

The PPG was created to provide funding for two separate policies:

- Raising the attainment of disadvantaged pupils
- Supporting pupils with parents in the armed forces

This policy outlines the amount of funding available, the school's strategy for spending the PPG effectively, and the procedures for ensuring the funding is allocated correctly.

## Legal framework

This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- Children Act 1989
- Equality Act 2010
- UK General Data Protection Regulation (UK GDPR)
- Data Protection Act 2018
- The School Information (England) Regulations 2008
- ESFA (2021) 'Pupil premium: allocations and conditions of grant 2021 to 2022'
- DfE (2018) 'Promoting the education of looked-after children and previously lookedafter children'
- DfE (2021) 'What maintained schools must publish online'
- NCTL and the Teaching Schools Council (TSC) (2018) 'Effective pupil premium reviews'
- Education Endowment Foundation (EEF) (2019) 'The EEF Guide to Pupil Premium' This policy operates in conjunction with the following school policies:
  - LAC Policy
  - Pupil Premium Impact Statement
  - School Development Plan

#### Roles and responsibilities

The governing board is responsible for:

- Ensuring the effectiveness of this policy.
- Ensuring the school meets its statutory duties with regards to the use of the pupil premium grant (PPG).
- Maintaining robust oversight of the school's financial affairs.
- Liaising with the headteacher to ensure the school's strategies and activities regarding pupil premium align with the school's wider School Development Plan.
- Scrutinising the school's plans for, and use of, its pupil premium funding, including reading and reviewing the school's Pupil Premium Impact Statement.

The headteacher is responsible for:

- Ensuring the day-to-day implementation of this policy.
- Appointing an appropriately experienced and knowledgeable pupil premium lead at the school.
- Liaising with the governing board to ensure the school's strategies and activities regarding pupil premium align with the school's wider School Development Plan.
- Working with the pupil premium lead to ensure the school spends the PPG funding effectively and in a way which aligns with the school's overall pupil premium strategy.
- Ensuring the school publishes its Pupil Premium Impact Statement, as required.
- Ensuring the school meets the requirements to publish information regarding the PPG on the school website, as required.
- Ensuring the school census is completed accurately.

• Ensuring personal data of pupils eligible for the PPG is stored, processed and shared in line with the school's Records Management Policy.

The pupil premium lead is responsible for:

- Undertaking the day-to-day implementation of this policy.
- Ensuring the school spends its PPG funding to provide support to all eligible pupils.
- Working with the headteacher and other relevant staff members to draw up the Pupil Premium Impact Statement.
- Liaising with parents regarding any questions or concerns about the PPG.
- Monitoring the effectiveness of the school's PPG strategy as it operates on a day-to-day basis.
- Working with the headteacher and other relevant staff members to implement suitable, effective and evidence-based interventions for eligible pupils to support their academic and personal progress at school.
- In combination with the headteacher, conducting research into evidence-based strategies for effective use of PPG funding, and demonstrably applying this research in the school's own strategy.

#### **PPG** allocation

The school adopts the following definitions PPG eligibility, in line with government expectations:

- Ever 6 FSM: pupils recorded in the January 2021 census who have had a recorded period of FSM eligibility since May 2015, as well as those first recorded as eligible at January 2021
- NRPF: pupils with no resource to public funds (NRPF) who are eligible for FSM under the temporary coronavirus (COVID-19) extension to FSM eligibility, even if not recorded on the school census as eligible for FSM
- LAC and PLAC: pupils recorded in the January 2021 census who are in the care of an English LA, or pupils recorded as having been looked after by an English or Welsh LA immediately prior to adoption, a special guardianship order or child arrangements order
- Ever 6 service children: pupils recorded in the January 2021 school census who have been eligible for the service child premium at any point since the May 2015 census, as well as those recorded as a service child for the first time in the January 2021 census

For the financial year 2021 to 2022, grant allocations are unchanged, and therefore, are as follows:

Disadvantaged pupils	PPG amount per pupil
Pupils in Reception to Year 6 who are recorded as 'Ever 6 FSM', including those who are eligible NRPF pupils	£1,345
Pupils in Year 7 to Year 11 who are recorded as 'Ever 6 FSM', including those who are eligible NRPF pupils	£955
LAC as defined in the Children Act 1989 – children who are in the care of, or provided accommodation by, an English LA	£2,345
PLAC, who have ceased to be looked after by an LA in England or Wales because of adoption, a special guardianship order or a child arrangements order	£2,345

Service children	SPP amount per pupil
Any pupil in Reception to Year 11 recorded as an 'Ever 6 service child' or in receipt of a child pension from the MoD	£310

The Levett School only receives PPG funding from the LA for pupils who are single registered to The Levett School (not dual registered with another school) at a census day. This means that, in actual terms, The Levett School directly receives funding for a relatively small number of pupils, due to the fact that their referring school is allocated the funding.

In order to receive the funding it is the responsibility of The Levett School to invoice the referring school throughout the school year to receive the funding.

Alongside the pupil premium, pupils who are eligible for FSM, or have been at any point in the last six years, also attract funding through the schools national funding formula.

#### **Objectives**

The school has the following objectives with regards to its use of the PPG:

- To provide additional educational support to raise the achievement and meet the needs of pupils in receipt of the PPG
- To narrow the gap between the educational achievement of these pupils and their peers
- To make a significant impact on the education and lives of these pupils
- To work in partnership with the parents of pupils to collectively ensure pupils' success
- We ensure that adequate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed.
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged.
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the PRU has legitimately identified as being socially disadvantaged.
- Pupil Premium funding will be allocated in a way that The Levett School decides will best meet the needs of vulnerable groups. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at any singular time

## **How PPG is spent**

Under the ESFA's terms of the PPG, the school only spends the funding in the following ways:

- For the purposes of the school, i.e. for the educational benefit of pupils registered at the school
- For the benefit of pupils registered at other maintained schools or academies
- On community facilities whose provision furthers any benefit for pupils at the school

If the school has not spent the PPG within the financial year in which it was allocated, the school will carry the remainder forward to the following financial year. When the school carries PPG funding forward, it continues to only spend the funding in line with the above criteria.

#### Strategy for success

As the majority of pupils at The Levett School are in receipt of the PPG ALL pupils are given the same access to strategies and resources so as not to discriminate as ALL The Levett School population are considered vulnerable and disadvantaged.

Due to the changing and evolving cohort of pupils The Levett School has a one-year strategy for the use of PPG. If there is a sudden significant change to the cohort this will be reviewed earlier.

As part of its strategy, the school maximises the use of the PPG by:

- Assigning a pupil premium lead to champion the educational needs of PPG recipients and ensure the implementation of this policy.
- Ensuring PPG funding and spending can be identified within the school's budget.
- Consulting, as necessary and as appropriate, the pupil premium lead, governors, staff and parents when deciding how funds are spent.
- Assessing the individual provisions required for each pupil in receipt of the PPG.

The school explores evidence-based summaries of PPG use, such as the EEF's Teaching and Learning Toolkit, to determine the best use of the funding. The school makes decisions about PPG spending that demonstrably illustrates its use of evidence-based research.

When researching and implementing PPG use, the school focuses on approaches that:

- Are individually tailored to the strengths and needs of each pupil, and include targeted support, such as academic tutoring, reading intervention, mental health and well-being interventions.
- Are consistent (based on agreed core principles and components), but also flexible and responsive.
- Are evidence-based.
- Are focussed on clear short-term goals providing opportunities for pupils to experience success
- Include regular, high-quality feedback from teaching and mentoring staff.
- Engage parents in the agreement and evaluation of support arrangements, e.g. via pupil's personal education plans (PEPs).
- Support pupils' transitions through the stages of education, e.g. from primary school to secondary school.
- Raise aspirations through access to high-quality educational experiences.
- Promote each pupil's awareness and understanding of their own thought processes and help them to develop problem-solving strategies.
- Support the quality of teaching, including staff professional development.
- Tackle non-academic barriers to success at school, by supporting good attendance and behaviour and providing social and emotional support.

The school also chooses approaches that emphasise:

- Relationship-building, both with appropriate adults and with pupils' peers.
- An emotionally intelligent approach to the setting of clear behaviour boundaries.
- Increasing pupils' understanding of their emotions and identity.
- Positive reinforcement.

- Building self-esteem.
- Relevance to the learner the approach relates to pupils' interests and makes success matter to them.
- A joined-up approach involving the pupil's social worker, carer, virtual school head (VSH) and other relevant professionals.
- A child-centred approach to assessment for learning.

## A tiered approach to PPG spending

The school operates a tiered approach to PPG spending to ensure spending is both balanced and focussed. Spending priorities are as follows:

- 1: Teaching
- 2: Targeted academic support
- 3: Wider strategies

Ensuring effective teaching in every classroom is the priority for PPG spending. To achieve this, the school spends the PPG in the following ways:

- Professional development
- · Recruitment and retention

Evidence shows that targeted support has a positive impact and is a key component of effective PPG use. The school spends the PPG on targeted support in the following ways:

- Structured interventions
- Small group tuition
- One-to-one support

Wider strategies are used to overcome non-academic barriers to success. The school spends the PPG on the following wider strategies:

- Behaviour and safeguarding support
- Toast and fruit for breakfast and break times.
- Attendance initiatives
- Reward systems and trips to promote and achievement, enjoyment and motivation.
- Provide uniform and additional equipment for individual pupils.

## Use of the LAC and PLAC premiums

The LAC premium is managed by the LA's designated VSH.

The premium will be used to benefit a pupil's educational needs as described in their PEP. To avoid any delays in providing support, the school works with the VSH to ensure that funding allocation is as simple as possible.

The LAC premium is used to facilitate a wide range of educational support for LAC. The designated teacher and carers work with the VSH to gain a full understanding of each pupil's needs and determine how to use the premium to support each pupil effectively. The designated teacher works with the VSH to ensure that all available funding is spent.

PLAC premium is allocated directly to the school. LAC premium and PLAC premium is not treated as personal budgets for individual pupils; however, the VSH and the school may choose to allocate an amount of funding to an individual to support their needs.

#### **Example interventions**

The school may utilise the following achievement-focussed interventions:

- Providing one-to-one and small group work with experienced teachers to address pupils' specific knowledge gaps
- Small class groups to improve opportunities for effective teaching
- Creating additional teaching and learning opportunities using TAs
- Targeting English and Maths teaching for pupils who are below age-related expectations
- Additional reading materials to support improved access to reading and literacy.
- Subsidised ingredients for increased access and achievement in food technology.
- Forest schools, bike maintenance, horticulture sessions.

The school may utilise the following teaching-focussed interventions:

- An hour weekly CPD slot for staff
- A termly one-day teaching development programme
- Weekly individual coaching sessions to support teachers

The school may utilise the following wellbeing-focussed interventions:

- One-to-one counselling sessions
- Therapeutic interventions to support pupils to manage their mental health and wellbeing and be able to access their learning.
- Occupational therapy-based interventions
- Allocating funds to enable pupils to participate in extra-curricular activities

The school may utilise the following communication-focussed interventions:

- Vocabulary interventions and support from Speech and Language therapists for pupils with poor oral language and communication skills
- Transport for parents to attend annual reviews
- Support for pupils to access a range of off-site trips and experiences

The school may utilise the following independence-focussed interventions:

- Work experience opportunities
- Opportunities to lead sessions

## Use of the service pupil premium (SPP)

The school uses the SPP to give pastoral support to service children during challenging times and mitigate the negative impact of family mobility or parental deployment.

Pupils qualify for the SPP if they meet at least one of the following criteria:

- They have a parent serving in the regular armed forces
- They have been registered as a 'service child' on the January school census at any point since 2015 (known as the 'Ever 6 service child measure')
- They have a parent who died whilst serving in the armed forces and the pupil receives a pension under the armed forces compensation scheme or the war pensions scheme
- They have a parent who is on full commitment as part of the full-time reserve service

The school does not combine the SPP with any other form of PPG. SPP spending is accounted for separately to any other form of PPG. The school may use the SPP for:

- Providing pastoral support in the form of counselling, nurture groups, clubs, etc.
- Improving the means of communication between the pupil and their deployed parent(s), such as introducing a 'video call club'.
- Helping pupils to develop scrapbooks and diaries that can be shown to their parent(s) on their return.
- Funding staff hours spent assisting the pupil when they join a new school as a result
  of a new posting.
- School trips specifically for service children, such as military-specific trips that allow pupils to join a wider community and better understand the role their service parent plays.

The school does not use the SPP to subsidise routine school activities.

## **Accountability**

The progress of pupils in receipt of the PPG is regularly discussed with subject teachers.

Ofsted inspections will report on the attainment and progress of disadvantaged pupils in receipt of the PPG. The school is held to account for the spending of the PPG through the focus in Ofsted inspections on the progress and attainment of the wider pupil premium-eligible cohort.

The school publishes its strategy for using the PPG on the school website by the 31 December 2021 utilising the DfE template.

The school uses its recovery premium alongside its pupil premium funding and reports on the use of them as a single sum in their strategy statement.

The school publishes the updated PPG strategy annually, in line with its statutory duties.

# Reporting

The headteacher reports annually to the governing board and parents regarding how effective PPG spending has been and what impact has been made. The impact of PPG spending, in terms of improving educational outcomes and cost effectiveness, is monitored, evaluated, and reviewed by the headteacher and the governing board.

Information regarding PPG spending is published on the school website. The school does not publish any personal data regarding individual pupils on the school website.

For parents of pupils in receipt of PPG, details of the pupil's academic progress and behaviour are sent home in their reports. This information informs the development of additional or alternative strategies and interventions to further improve the attainment of these pupils.

# **Pupil premium reviews**

If disadvantaged pupils are not meeting expected levels, or slow progress means they are failing to realise their full potential, the school will consider undertaking a pupil premium review to objectively evaluate the pupil premium strategy and identify ways to use the PPG more effectively.

If requested to do so by Ofsted, the LA, or the DfE, the school will commission a pupil premium review.

The school undertakes reviews in partnership with an experienced, independent system leader with a proven track record in improving outcomes for disadvantaged pupils.

The cost of the review reflects the DfE's guideline that says day rates for external reviews should reflect pay and expenses for a senior leader, including any costs incurred by their school to release them. Where costs are prohibitive, the school considers the use of a joint review with local schools. The school may pay an additional cost for the brokerage service providing the reviewer.

In advance of the review, the school completes sections 1-4 of the Pupil Premium Review Self-Evaluation Form available in the appendices.

At the end of the review, the school has an improved strategy and plans to implement it. This strategy and these plans are shared with all relevant stakeholders.

#### **Overpayments**

The school repays any overpayment of the PPG.

## Monitoring and review

The headteacher and SBM are responsible for reviewing this policy annually.

Any changes to this policy will be communicated to all relevant stakeholders.

The next scheduled review date is date
