

THRIVE AND WELLBEING SPRING TERM 2024

EXPRESS YOURSELF!

The 8th February saw us raise awareness for Children's Mental Health by taking part in their "Express Yourself" campaign!

Pupils and staff we're invited to wear something that they loved to wear or that expressed how they were feeling.

THANK YOU

RHS

We had the privilege of being visited by the **Royal Horticultural Society** who planted some new greenery across both of our school sites. We are now proud owners of Willow Domes, Fruit Trees and some Hedgerows! We can't wait to see them bloom over the years to come.

BOXING

KS3 have now reached the end of their boxing placement with Harry. Pupil's have enjoyed interacting with Harry, learning some skills and the physical exercise.

We would like to say thank you to Harry for coming in and fitting into the Levett team so seamlessly!

THANK YOU!

PSHE & THRIVE

"I like Thrive sessions as I can just be me. Sometimes we have a dance party and it makes me feel happy" - Pupil

"Sometimes it was hard because I didn't want to talk about how I felt but I did and it helped" - Pupil

"I enjoyed working with Mrs Brown" - Pupil
